

REMARKS

It is requested that this Amendment be entered after entry of the Amendment After Final Under 37 CFR § 1.116 filed June 28, 2006, and whose entry has been requested in the Request for Continued Examination being filed concurrently herewith.

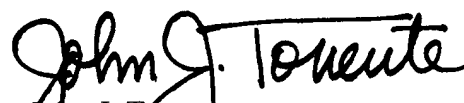

The subject Amendment changes the "means plus function" language of claim 25 to "unit adapted to" language and otherwise has not changed the recited features of the claim. Amended apparatus claim 25 is thus believed to remain allowable. Method claim 26 has not been amended and it also is believed to remain allowable.

In view of the above, all claims remaining in the application, as amended, are allowable. Accordingly, reconsideration of the claims and passage of same to issue is respectfully requested.

Dated: August 8, 2006

Respectfully submitted,
